All ratepayers and residents are welcome to attend the council meetings and participate in the Public Question Time session which is held at the beginning of each Council Meeting.

COUNCIL NEWS

CEO Update

This month has been particularly challenging with rain and COVID-19 throwing up considerable challenges for our entire workforce. Unfortunately we lost Jarrod, Cherie and Sean to the virus for 7 days as they had to go into isolation. This was at a time when we had reasonably significant rainfall necessitating road closures and we had the cement stabilisation crew and the sealing crew all heading out to the Landor / Meekatharra Road whilst the majority of roads were closed. For those of us left standing we managed to keep things on track, by the skin of our teeth, and get all the works completed.

Staff have been busy with preparing for the 2022/23 Budget. There is a lot of paper work that needs to be done behind the scenes prior to bringing a working document before Council for consideration.

Works are continuing with the Two Rivers Memorial Park with the two Culverts having been completed, electricity has been connected to the music shell with all the light fittings, etc. being installed, the painters have completed painting both indoor and outdoor. Contractors are coming to the Junction to compact around the culverts so the final earthworks can be completed with the bitumen following close behind. The plumber will commence works on or around the 22nd of April and he will finalise his side of things. All in all the project is moving ahead albeit at slightly better speed than glacier speed.

Work has commenced on the Carnarvon/Mullewa sealing project with design drawings having been completed and the gravel pushed up. THEM Construction have commenced their works in the week commencing on the 18th of April 2022.

As part of my role, I am continually trying to advocate for Ministers to visit our region so we can have a chance to tell our story and perhaps get some assistance. I have invitations with John Carey – Minister for Local Government; Alannah MacTiernan – Minister for Regional Development, Agriculture and Food, Hydrogen – At this stage Alannah may visit Gascoyne Junction sometime in May; Minister Stephen Dawson – Emergency Services, Innovation and ICT is yet to respond.

Work is still progressing with the Hastings Road Use Agreement. We believe that they have nearly got it right and have sent this to our solicitor for him to go over and insert any of the legal terms as required. Once this is back we will have to undertake a further review and once we are happy will present to Council for consideration, I am anticipating that this will be ready for the May 22 OMC.

Corporate Services Update

The month of April has absolutely flown by and our plates are quickly filling with routine compliance work such as budget reviews, new budget preparation and audits. Last month we held our first audit committee meeting with the OAG and our Auditors from William Buck. This entrance meeting officially kicks off the Shire's audit process for the current financial year. Our interim audit dates with William Buck were originally scheduled for April, however due to conflicting commitments in our Auditors calendar, these dates have since been rescheduled to the end of May.

Amongst other compliance work the Corporate team is currently invested in, we are also gearing up to carry out staff performance reviews which we hope to finalise towards the end of May or possibly early June.

As I write this report, we are starting to see our first trickle of tourists in the area. It is a welcome sight particularly as the recent rain has added a nice green touch to the landscape and brought in a hint of cooler weather – the only downside is that the flies also seem to be in favour of these conditions which is unfortunate, particularly when you are trying to enjoy a leisurely stroll around town and catch a few in your mouth in passing (very unpleasant).

Although the Easter break has offered a nice reprieve for staff and allowed us to enjoy time away from the office, we return to a busy schedule ahead filled with further budget preparation, rate modelling, project reporting and audits. This will continue to be the case for many months to come so we are very much back to business as per normal.

Community Resource Centre Update

A further COVID clinic was held in April with many first time attendees. Whilst our next visit is not yet scheduled we will look to host this in conjunction with a flu vaccine clinic. We received a small grant through the State Library of Western Australia to offset costs incurred at the Community Resource Centre in helping residents with Service WA. It has been used to offset wages and to cover postage costs of free pulse oximeters that were sent to every household across the Shire along with a booklet on how to use the Services WA app. We have also sent out free RAT tests and face masks to all residents courtesy of WAHCS and the Shire.

Goods continue to arrive for the Medical Clinic and we have been advised we will be visited by both a GP and Clinical Nurse Manager. As I write this I do not have a new potential start date but each day brings us closer.

Unfortunately the Shire had to postpone one of their flagship community events for 2022 being the Bogan Bingo night that was originally scheduled for the 1st April, this was due to a significant amount of rain we received in the area leading up to the event and the days to follow. Rather than cancel the show altogether, we have been lucky enough to find another date to hold it – this event has now been rescheduled for the 10th June 2022.

Tourism Update

At the time this is presented to the April Council Meeting, the Tourism and Community Development Officer (TCDO) is currently in Mt Magnet attending a meeting representing the Shire and the Shire Stakeholders at an Australia's Golden Outback Meeting to begin discussions on a Destination Management Plan for our region. Access and Infrastructure are key points that I will be raising.

Visitors are again starting to make their way into the Shire. We are seeing a strong mix of families with primary aged children and empty nesters making their way on adventures. We welcomed a gentleman from Poland who is walking across Australia and is on his way to Mt Augustus via the Kennedy Range as part of his adventure. Our walking tours from the CRC are set to begin with admin staff taking a sample tour in April. These will be run on demand and are designed to encourage visitors to stay a little longer in the Junction and learn more about our Shire. QR codes will begin in May, to collect data from visitors in our region to better understand why they travel through the Shire.

Our new welcome to Shire signs are in the final stages of design and are about to be sent off for production. New signage for around town and welcome to Gascoyne Junction signs are also in this scope of work. They are utilising our new branding. An updated Visit Upper Gascoyne brochure is at the printers along with the A3 town maps which will add to our marketing collateral. Design work is underway on a Kennedy Range Loop Track version.

Ainsley (TCDO) has been working in collaboration with our fellow Gascoyne Shires on the Astro Tourism Dark Sky project. Astro tourism WA will be visiting in August to commence work on identifying key sites across our Shire. April 20, 2023 will see a solar eclipse in Exmouth. In Gascoyne Junction there will be 90.25% coverage, 92.19% at Kennedy Range and 87.81% at Mt Augustus which provides us with the opportunity to take on some of the overflow of interested visitors. We are also working together on keeping visitors in the region over this period of time and providing activities in the weeks before and after the solar eclipse event. There are another two solar eclipses in the region in the next 10 to 15 years to also consolidate for.

On the long weekend in June, the Model A Ford Club and Trackcare will be holding event through the Kennedy Range Loop starting from Murchison Settlement and finishing in Gascoyne Junction. Ainsley will be working with them and Western 4WD Magazine on coverage of the event including creating digital content for our own marketing and use moving forward.

Two new projects that will be a focus in 2022 will be developing a business case for additional accommodation in Gascoyne Junction, both motel/chalet style and also overflow area for camping for events and peak periods. The second is updated the town museum displays and interpretative signage. Designs for this are underway.

Ainsley (TCDO) has been representing the businesses of the Shire at a working group created by Gascoyne Development Commission of local Chambers of Commerce and Progress Associations. I will look at seeking expressions of interest in forming an Upper Gascoyne Tourism and Progress Association. Members would then have access to work collaboratively with the Chambers across the Gascoyne. This is still a work in progress and updates will be provided. The concept is to be able to share resources, training opportunities, nominated for Business Awards and recognition and streamline the administration involved.

Shire of Upper Gascoyne

Public Notice

Notice of Intention to Impose Differential Rates for 2022/2023

In accordance with Section 6.36 of the Local Government Act 1995 the Shire of Upper Gascoyne hereby gives notice of its intention to impose differential rates and differential minimum rates on all rateable unimproved valued (U.V) properties within its boundaries during the 2022/23 financial year. The differential rates are imposed on the basis of predominant land use as detailed below-

LAND USE	RATE IN \$	MINIMUM
G.R.V. General	10.5000 cents	\$500
U.V. Mining	29.8000 cents	\$950
U.V. Rural	7.0000 cents	\$900

A statement of Objects and Reasons for each proposed rate and minimum payment may be inspected at or obtained from, the Shire of Upper Gascoyne Administration Centre, 4 Scott Street, Gascoyne Junction between the hours of 8.30am and 4.30pm.

Further queries can be directed to the undersigned by telephoning (08) 9943 0988 or by email to:

financemanager@uppergascoyne.wa.gov.au

Submissions regarding the proposed differential rate and minimums can be made in writing and submitted by email or post to the above details or by fax to (08) 9943 0507. Submissions must be received by 4.30pm on Thursday 26th May 2022.

John McCleary
Chief Executive Officer
04/05/2022

THIS SEGMENT OF THE GOSSIP EXPLORES PAST ARTICLES ON NEWS AND EVENTS IN THE UPPER GASCOYNE.

Track winding back to Bonegilla camp

By JASON MAROCCHI

IT WAS a trip down memory lane for Gascoyne Junction Shire councillor Inge Stocks on Tuesday.

The opening of the Western Australian Museum Geraldton's new exhibition From the Steps of Bonegilla brought back a host of childhood memories.

Cr Stocks spent her first year in Australia at the Bonegilla Migrant Reception Centre, near Shepparton in Victoria, as a six-year-old in 1953.

Bonegilla was the place where more than 320,000 migrants gained their first taste of Australia.

Cr Stocks can still remember arriving in Bonegilla after a long boat trip from Germany.

"We got off the train just before dawn," she said.

"We heard the magpies in the trees and were absolutely terrified, even mum and dad, we had no idea what they were."

The exhibition is a unique collection of photographs, stories and memorabilia depicting life at the migrant centre from 1947 to 1971.

It provides an insight

GASCOYNE Junction Shire councillor Inge Stocks reminisces the year she spent at the Bonegilla Migrant Reception Centre. A new exhibition at the museum will provide an insight into life at the centre. (Photo by Angie Slims.)

into the lives of the men and women who have helped shape and develop Australia's rich multicultural heritage.

Cr Stocks said the new exhibition was appropriately named.

"I love the name From the Steps of Bonegilla because the mums and kids used to sit on the steps at the front of the centre at the end of the day waiting for the men to come home from work," she said.

From the Steps of Bonegilla was compiled by the Albury Regional Museum as a touring exhibition.

It will be on display in Geraldton until the end of June.

This article was originally published in the Geraldton Guardian on Tuesday May 21, 2001.

You could be our next local celebrity...

BOOKS OF THE MONTH

DAISY AND BEAR AND THE VERY ORDINARY DAY

Daisy and Bear live in a small house. They do the same ordinary things every day. Or do they?

Follow the adventures of this delightful brother and sister duo as they find the sparkle and fun in the daily routine of family life.

With charming pencil illustrations by Bianca Pozzi, this is a delightful book that values innocence, imaginative play and love.

THE RELUCTANT HEIRESS

In London's twisting streets, it's hard to tell friend from foe. And for Katherine Martin, arriving back in London after years away, the city is far crueler than she remembers.

Her eyes opened to the plight of London's poor, Kate is determined to do what she can to help – even if it means defying her parents.

In secret, she opens a soup kitchen. But there is a world of criminals within London's poorest alleys. Catching the notice of Harry Trader and his gang, Kate is out of her depth. Until she begins to discover that her true enemies might not be who she thought...

We've received a bunch of new library books, dvd's and auto books this month. Make sure you pop in and check them out!

Can't make it into the CRC, send us an email at crc@uppergasocyne.wa.gov.au or call on 9943 0988 and we will hand select a pile of books to be delivered on the mail truck out to you.

Plastic bags should be banned

Plastic bags are a worldwide trouble. They have been killing plants and animals for years. Do you want the Earth to die? How would you feel if you were choking on a plastic bag like a sea turtle? Animals die daily from this horrible thing and what do we do? Make more plastic bags and kill more and more animals. It would not be this bad if we did not throw plastic bags in the bin but then is the bin safe? Most plastic bags that are taken to the dump simply get blown into our precious environment.

Did you know that the average Australian uses 170 plastic bags a year? If we keep dumping plastic bags in the ocean at this rate there will be more plastic than fish in the ocean. It takes 10 to 20 years for a plastic bag to break down .the chemicals in plastic bags have a horrible effect on the environment.

If you have a little kid and a plastic bag lying around you better pick up your kid because 20 small children die a year because they put it over their head and choke. Plastic bags cause a devastating effect on Earths creatures particularly sea animals. Sea turtles can think that plastic bags are jellyfish and eat them they get very sick and well I am sure you will know what happens next they get better and live happily ever after? No they die. What a lovely story.

Imagine you are at a luxurious hotel you know the usual stuff like queen sized bed, a spa, a balcony and a personal butler just to name a few and you are going to the hotel restaurant. A waiter shows you to your seat you look out of the window on the glorious beach and see plastic bags all around the shore and in rolling around in the ocean. This is what happens to some people! Plastic bags look really messy and horrible.

It is clear that plastic bags should be banned (see why in paragraphs 1 to 4). It kills nature and looks horrible in the ocean. There are many alternatives to using plastic bags like using re-useable bags and boxes. So next time the checkout lady asks you if you if you would like a plastic with that say NO! And walk away.

PRINCIPAL'S POST

RESPECT
RESPONSIBILITY
RESILIENCE

Hello to parents, families, and the school community.

FAREWELL TO MISS JODIE

This week we said an unexpected farewell to our AIEO Jodie Gibson who is leaving Gascoyne Junction to move closer to her family and her grandchildren. Jodie has worked tirelessly in her role for 17 years to provide a supportive and safe environment for Aboriginal students.

Over the years, she has collaborated with teachers and Principals to help Aboriginal students improve their engagement, attendance, achievement, and retention. AIEOs and teachers work together. Jodie will be missed and will be a great loss to both the school and to the community. We wish her all the best for this next stage in her remarkably busy life.

Jodie will be returning briefly to Gascoyne Junction soon, and we will organise a more formal farewell so we can properly recognise her years of wonderful service. We will pass on details once they're finalised.

VALUES BOXES

Thanks to the school community for using the Values Boxes located at the CRC, the Shire and the school's front office to note a student's name, the date and to tick one or more of the values that you have seen being demonstrated by a student at our school. We will be counting the slips and rewarding students who have been recognised the most for demonstrating our school values. We thank you for your participation.

Kind regards
Jackie Miller (Principal)

STUDENT COUNCILLOR NEWS

Student council members have decided to hold a lapathon at the end of term for all students. All proceeds will go to Telethon. A date will be announced soon.

A Wakakirri Story-Dance is a performance by a group of students that tells a story using a combination of creative movement, dancing and acting to pre-recorded music.

Each year hundreds of schools across Australia create and perform Story-Dances for Wakakirri that reflect students' thoughts, ideas, and aspirations. This year's theme is 'RISE' and students are creating a story with Miss Wilson based on this theme.

Next week on Wednesday 4th May, Thursday 5th May and Friday 6th May, we have a Wakakirri coordinator flying from Perth as part of an Artist in Residence Program to create the Story-Dance with our students.

For the remainder of this term, students will practise their dance regularly, build scenery for the background, make their costumes, and organise lighting for our dance-story before submitting our Wakakirri Video next term.

It will be a fantastic experience for our students and our community, and we will be inviting family and community members to a live performance before we submit our video.

SWIMMING WEEK

STUDENT FEEDBACK

Last term we participated in swimming lessons and each morning undertook other excursions around Carnarvon. Upon their return to school, students rated each excursion and justified their ratings with comments.

This was their order of preference:

1. Space & Technology Museum
2. Swimming lessons
3. Cultural Centre
4. Heritage Cottage

Students will have active input into planning for 2023 Swimming Week.

COMING EVENTS

4 th , 5 th , and 6 th May	Wakakirri Artist in Residence Program
Sunday 08/05/22	Mother's Day
Monday 09/05/22	School Psychologist visit
10/5/22-13/5/22	NAPLAN Week
19/5/22	Sporting Schools AFL
2/6/22	Sporting Schools AFL
6/6/22	WA DAY Public Holiday
16/6/22	Sporting Schools AFL
22/6/22-23/6/22	CSOTA Sports Day & Cross Country in Carnarvon

Career Conversations 2022

Talking to young people about pathways and opportunities

This is an exciting time for young people to make their mark on the world; the world-of-work is changing and there are many opportunities to explore.

Parents are the greatest influence on the career decisions of their children.

Join the conversation about post school options at our free parent events in your local area. Come along to and hear:

- what industry want from young people
- the opportunities on offer
- young people sharing their experiences
- where to find up-to-date career information.

Together, with schools we can prepare young people for the many opportunities and challenges ahead.

Career Conversations 2022

Talking to young people about pathways and opportunities

Professional learning event for teachers

The world-of-work is changing. While this is an exciting time for young people, with many opportunities to explore, choosing a career pathway requires much consideration and exploration.

Parents, carers, teachers and peers are the greatest influencers of the career decision-making of young people. Together we must prepare young people for the opportunities and challenges ahead.

We all need to be having career conversations with our students and children, beginning much earlier than secondary school.

Armed with accurate, up-to-date information, you can point young people to the full range of options and pathways open to them.

Come and hear:

- how we can support parents and young people with career information
- what employers want from young people
- which industries have opportunities on offer
- young people sharing their experiences
- where to find accurate, up-to-date career information.

Department of
Education

Shaping the future

School enrolments are now open for 2023

If your child is starting **Kindergarten, Pre-primary, Year 7** or **changing schools** you will need to apply to enrol by 22 July 2022.

Find out more:

education.wa.edu.au/how-to-enrol

Government of Western Australia
Department of Communities

WA have your say

on seniors and ageing

The State Government, on behalf of the Hon. Don Punch MLA, Minister for Seniors and Ageing, is developing WA's first Seniors Strategy.

The Department of Communities is keen to hear the thoughts and opinions of older Western Australians to help shape the strategy.

Have your say on how you can age well in your community!

Consultation sessions are being held across the state in May and June 2022, with sessions in Carnarvon taking place on:

Tuesday 31st May at 10:00am - 12:00pm at Gwoonwardu Mia

Tuesday 31st May at 12:30pm - 2:30pm at Gwoonwardu Mia

We would like to hear from:

- Aboriginal and Torres Strait Islander people aged 55 years and over, and
- Non-Aboriginal and Torres Strait Islander people aged 65 years and over.

People approaching their senior years are also encouraged to participate.

These sessions are being facilitated by Indigenous Professional Services Management Consultants on behalf of the Department of Communities.

Can't make it to a session?

One-on-one phone interviews are available for people who are unable to attend a consultation session.

If you would like to book an interview, please contact our consultants (available 8am-3pm Monday to Friday):

- **Emma O'Hara:** Mobile 0431 239 075; Email: emma.ohara@ipsau.com.au
- **Liam Ashworth:** Mobile 0410 910 450; Email: liam.ashworth@ispau.com.au

To register for a session visit: www.communities.wa.gov.au/SeniorsStrategy

COOK'S CORNER

Easy Thai Red Chicken Curry

Ingredients

2 tsp. vegetable oil
275g The Spice Tailor Thai red curry kit
500g chicken thigh fillets (cut into 3cm pieces)
200g green beans (trimmed) cup
450g Sunrice microwave jasmine rice
coriander (to serve)

Method

Step 1

Heat oil in a large, deep frying pan over medium-high heat. Remove kaffir lime leaves from spice pouch in curry kit, then add spices and cook for 1 minute, stirring, or until fragrant. Add chicken and cook for 4 minutes, stirring, or until browned. Add spice paste from curry kit, then cook, stirring, for 1 minute to coat. Add coconut sauce sachet, reserved kaffir lime leaves and 1 tbs water, then stir to combine. Reduce heat to medium and simmer, uncovered, for 4 minutes or until chicken is cooked through.

Step 2

Meanwhile, cook beans in a medium saucepan of boiling water for 2 minutes or until bright green and tender. Drain.

Step 3

Heat rice according to packet instructions.

Step 4

Divide rice and curry among bowls, then top with beans and scatter over coriander. Serve.

Recipe from www.woolworths.com.au

★ ★ CONGRATULATIONS ★ ★

The Shire would like to acknowledge Nat Rogers and Leeson Dorey on 10 years of service for the Shire of Upper Gascoyne.

We congratulate them on this wonderful achievement and thank them for their service.

Visiting GP Clinic

Whilst we have had a delay to the start date of our GP Clinic it is getting closer, due to a change in staffing. We have had an onsite visit from the new Clinical Nursing Manager to create a list of what further equipment is required. We will continue to keep you posted on the progress of the new opening date and how to go about making bookings. We would love to hear your feedback on what services you would like offered through the clinic.

Pub & Tourist Park.

Walking Tours

CRC staff are pleased to announce that they will be hosting a Walking Tour for visitors to the town, showcasing all our local landmarks and hot spots. The tour will be offered from April to September, each afternoon at 3pm departing from the CRC. Visitors will enjoy a leisurely stroll while learning all about the history of our town and our community. Further enquiries about the Walking Tours can be made by contacting Ainsley, our TCDO at the CRC.

ANZAC Day 2022

The Upper Gascoyne Memorial Services was held with over 30 residents and visitors in attendance. The service was conducted by Shire President Mr Don Hammarquist with a special ANZAC Day address delivered by WO2 Benetio Oti from the Pilbara Regiment. A poem was read by Cr Alys McKeogh and a wreath was laid by Cr Ray Hoseason-Smith on behalf of the residents of the Shire. Wreaths were also laid by the Gascoyne Junction Remote Community School and Bidgemia Station.

The service itself focussed on the service of those who had served and their families from Anzac Cove through to recent conflicts in the Middle East. A news crew from ABC in Carnarvon also reported on the service and what ANZAC Day means to the Upper Gascoyne.

Guests remained afterwards and enjoyed a light lunch and ANZAC biscuits from the Junction Pub & Tourist Park.

New Banners on Gregory Street

The old banners and banner poles have recently been replaced and upgraded on Gregory Street due to breakages and practicality.

With a grant funded by Local Roads and Community Infrastructure (Phase One). The Shire were able to make the improvements and order new more accessible poles and sturdier banners to hopefully re-frame breakages in the future.

GASSY GOSSIP

Great Australian Bird Count Results

Last October the residents of the Upper Gascoyne were asked to participate in the Great Australian Bird Count. The results are in. We will be registering for this again in 2022 so watch this space for more details. Thank you to those who participated. What a great way to collect current data on the bird life around us in the Shire.

2021 Aussie Backyard Bird Count Results

Count Summary

The following statistics summarise the results of the 2021 Aussie Backyard Bird Count for the **Shire of Upper Gascoyne**. The count ran from the **18th to 24th October 2021**.

- 5 observers participated in the bird count.
- Observers recorded a total of **61** individual birds during Bird Week.
- 6 bird species were recorded (Table 1).

Table 1: Total count of all 6 bird species observed within the Shire of Upper Gascoyne boundaries during the 2021 Aussie Backyard Bird Count.

* Introduced species; RA = Rare; NT = Near Threatened; VU = Vulnerable; En = Endangered, CE = Critically Endangered (based on IUCN listings; BirdLife Australia, 2019).

Bird Species	Count
Yellow-throated Miner	20
Fairy Martin	12
Little Corella	12
Australian Ringneck	8
Zebra Finch	6
Australian Magpie	3
