Ordinary Council Meeting Dates

Friday 9th February Wednesday 23rd March Wednesday 27th April Wednesday 25th May Wednesday 22nd June Wednesday 27th July Wednesday 24th August Wednesday 21st September Wednesday 26th October Wednesday 23rd November Thursday 15th December

Council meetings commence at 8:30am in the Shire Council Chambers located at 4 Scott Street. Gascoyne Junction.

All ratepayers and residents are welcome to attend the council meetings and participate in the Public Question Time session which is held at the beginning of each Council Meeting.

COUNCIL NEWS

CEO Report

As is the case in every monthly report that is presented I can categorically state that the previous month has been flat out and the coming month promises to go up another level.

I can joyfully report that I have finally completed the Road Use Agreement between the Shire and Hastings. This has been a most challenging and time consuming process but I believe the agreement reached provides a process for the up-grade and maintenance of our asset and also provides certainty for Hastings so that they can now go-ahead and start the necessary works required.

I have had another set-back on the being able to progress an ILUA for the land adjacent to Hatch Street. The ILUA was scheduled to be discussed on the 15th of September but this has now been put back for a third time to early October, fingers crossed. Once this is completed we can then progress developing a report as to what need to happen both administratively and on the ground in order to get freehold title for the various blocks.

Although I cannot report that MRWA have given us the extra \$4.5M each year for the next 2 years to continue with the sealing of the Carnarvon to Meekatharra Road, I can report that the MRWA are supportive and have made recommendation to the Minister for Transport, things are now in the hands of the Minister and we wait with baited breath.

A brief unofficial conversation with our Auditors has indicated that the Shire will receive a clean Audit with no adverse findings. This is a direct reflection on all of our staff and in particular our Corporate Services Team.

As mentioned 'tidy towns' will be in town as part of the annual judging assessment. The town is looking an absolute treat, thanks to Sean and his crew. I reckon we are a better than even chance to take this out.

The Two Rivers Memorial Park is all-but finished with only some cement footpaths to be replaced after the opening event. Sean and Nat have installed the Tables with the bin surrounds still a month or two way. As part of the contract with GBSC we will keep a retention bank guarantee of \$130k for 12 months as a contingency for any failures.

Preparations for the opening ceremony for the Park is well underway with invitations being sent to our neighbouring Shires, Melissa Price and other Shire dignitaries. We have secured two bands / performers with perhaps a surprise third. When we get a bit closer we will send out a full program of times and events.

The coming month or so promises to be very full and challenging with an absolute dearth of events both Shire and personal related, starting on the 16/09/2022 going right through to late October.

Manager of Finance and Corporate Services Report

Last week the Shire was visited by the Auditors from William Buck, who were onsite to conduct the End of Financial Year audit for 2021/22. The auditors were here for a full week, reviewing accounts, financial reports and documentation to support our organisations financial management, processes and procedures. An informal exit meeting was arranged with the auditors for the last day onsite and the overall feedback given was positive. Whilst there are still some samples to be provided to complete the review, the auditors and staff are keen to finalise the process come October 2022. The positive response is a direct reflection on all of our staff and in particular our Corporate Services Team.

The Corporate team have been incredibly busy this first quarter of the new financial year – staff are progressing through the 'to-do-list' for several upcoming events including the Two Rivers Memorial Park Opening, preparing for the CRC's 10 Year Anniversary, overseeing the delivery of a Community First Aid Course and coordinating the Integrated Planning Review.

The TCDO and I are working closely with Moore Australia to roll out the Integrated Planning Review process by promoting the community engagement workshop scheduled for 25th October 2022. The workshop will be held at the Pavillion and we are encouraging everyone to attend. This is an opportunity for all members of our community to have their say in the future of our region and ensure we continue to support growth and sustainability.

In addition to all of the promotion around our IPR process and the community engagement workshop, we have also issued surveys in person, by mail and online for our Strategic Community Plan. Again we are encouraging everyone to participate in the survey as this will assist staff and Moore Australia in collecting vital data needed to feed back into our integrated plans. We ask that Council act as advocates for this process and help our team get the word out to our community about the workshop and completing the survey.

Given what lays ahead, it is all systems go leading into October and we are hopeful that everything will run smoothly as staff ramp up for what is pegged to be one of our busiest months ahead.

Complete the community survey online www.uppergascoyne.wa.gov.au or collect a paper copy from the Shire Office survey open until 4pm Tuesday 25 October 2022

attend the community engagement workshop 6pm Tuesday 25 October 2022 Register intent to attend the workshop via email below

Community Resource Centre Update

Author – Ainsley Hardie, Tourism & Community Development Officer

August, saw another successful COVID and flu vaccine clinic at the Community Resource Centre with 12 residents attending on the day. The medical room has a start date of Wednesday October 5.A GP will be available on the first Wednesday of each month offering a bulk bill service and providing a range of services including women's and men's health specific checks, blood collection, medication reviews, specialist referrals, wound care and skin checks. A nurse will be visiting fortnightly from Wednesday October 12 who will be able to assist the GP with care planning and follow ups.

In August, Shire staff supported three RFDS visits with the most major a multiple fracture to a jaw from a hiking fall at Kennedy Range. It is a reminder of the multiple roles that staff play on a daily basis. The CRC is coordinating three first aid courses from Saturday 22 October through to Thursday 27 October. Staff from the Shire, the Gascoyne Junction Remote Community School, DBCA and members of the community are attending the course with total enrolments currently at around 30. St Johns Ambulance who are facilitating the course will also be hosting free sessions at the school for students on the Friday as part of community service.

The events calendar for October through to December is full, and staff are working behind the scenes to ensure the success of each and every one.

<u>Tourism</u>

Walking Tours have continued in Gascoyne Junction throughout August. As we near the end of this first season, the tours have been a great tool in gaining first hand data from those visiting the region and to better understand what they are looking for.

In late August, Carol Redford from Astrotourism WA visited the Shire to work on establishing a dark sky trail across the Shire. Gascoyne Junction will soon be joining the Astrotourism towns of WA, and a drive trail in conjunction with the Shires of Shark Bay and Carnarvon is underway to encourage visitors to tour through the region.Events are planned for 2023 for both around the Solar Eclipse event and a second event later in the year. Gascoyne Junction is also a prime candidate for being recognised as an International Dark Sky Town which has the potential to attract astrotourists from across the globe to enjoy our Dark Skies. This would involve an assessment of our street lighting which I have begun talks with Horizon Power over.

WAITOC are visiting the Kennedy Ranges for two days in late September with a video crew to create content for Wooramulla Eco Cultural Tours who are looking to start tours across the Ranges in 2023. They will be filming, the night sky and walking tours with a focus on native medicines and foods of the area.

Manager of Works and Services Report

The judging panel from Tidy Towns will be visiting Gascoyne Junction on Thursday September 22 to see for themselves the pride and tidiness of the Junction. The town crew have been busy preparing. With the completion of the tourist park in sight and some recent rain the town is looking the goods. The town oval reticulation and top dressing is complete and with the recent rain it should start to pop. The new lawn has been installed at the tourist stop and has made a big difference.The final works and defect list is nearly complete and we are looking forward to the official opening in October.

THEM Earthmoving are party way through removing the redundant islands on Viveash Way. Unfortunately they discovered that the existing base course and sub grade was not acceptable and have excavated the unsuitable material out and are bringing in good quality material. Sealing was expected to be complete by now however we received 35mm of rain at the beginning of September which has delayed the work.

THEM are also halfway through completing the flood damage and betterment works on Bundagee Wash. Yuin Contracting will install a new concrete edge wall before the new seal is laid. Works are expected to be complete before October.

Our construction crew have completed the 4.8km reconstruction of Landor Meekatharra Road.Sealing is expected to take place from the 20th to 25th September. We will then prepare a further 500m to get on the front foot for next year's sealing project.

At the time of writing this report I will attend a meeting on the 15th of September in Carnarvon with the Yinggarda Aboriginal Corporation to discuss the proposed Black Spot works on Ullawarra (Mt Sandiman Crest). We have secured funding from the WA State Black Spot Program to lower and widen a crest that has been identified as a risk to driver safety. The project is located approximately 1.3km form a proposed Aboriginal Heritage site. I will meet with YAC and hope to alleviate their concerns so the project can go ahead in October/November this year.

August and September have been quite busy in regards to procuring our capital plant and equipment for the 2022-23 financial year. I am pleased to say that all of our purchases have been tendered and or ordered and are in the process of being built or delivered.

ABBL Contracting has completed installing signage on the Cobra Gifford and Edmund Gifford Creek roads including guide post installation.While onsite, they also cleaned out two grids on the Cobra Dairy Creek road and have commenced signage installation around town. They will return in late September to complete the directional signage around town to tie in with the opening of the Two Rivers Memorial Park.

Our maintenance graders have completed the Carnarvon Mullewa Road and Pimbee Road. They will continue up Cobra Dairy Creek and across to Gifford Creek. The construction crew will water and roll section of the Landor Meekatharra and Landor Mount Augustus roads in time for the Landor Races.

Please have a say in the • future development of our Shire

Survey closes: Tuesday 25th October 2022

The Shire of Upper Gascoyne thanks you for your participation!

STRATEGIC COMMUNITY PLAN REVIEW

The Shire of Upper Gascoyne is currently undertaking a review of the Strategic Community Plan 2016/17 - 2026/27.

This Plan expresses the vision, aspirations and priorities of our community and provides a long term plan for the Shire. This is the Shire's principal strategy document, influencing all other planning and decision making.

As an essential part of this review, we are seeking our community's input and are pleased to invite members of the community to participate.

Have your say by:

- Completing the survey on-line at under 'Have Your Say' at www.uppergascoyne.wa.gov.au; or
- Completing the printed survey available from the Shire Office in Gascoyne Junction, Community Resource Centre and Junction Pub & Tourist Park; and
- Attending the community engagement workshop on Tuesday 25 October 2022 at the Gascoyne Junction Pavilion, doors open 6.00pm

Please return survey forms by:

- Email: jessica.spark@moore-australia.com.au
- Fax: 9943 0507
- In person or mail: Shire Office, 4 Scott St, Gascoyne Junction WA 6705

The survey is open until 4pm Tuesday 25 October 2022.

For more information and to register your intention to attend the workshop please call the Shire on 9943 0988 or email admin@uppergascoyne.wa.gov.au.

Glory days for Gascoyne

HIS is an exciting time to be living and working in the Gascoyne, according to Gascoyne Development Commission chief executive Sue Jones.

"With so many infrastructure projects moving into the construction phase, an air of buoyancy and optimism for the future prevailed across the region," she said.

The commission facilitates and implements economic and social development across a geographic region that covers 137,938sq km an area bigger than Victoria — with the communities of Exmouth in the north, Denham in the south, Gascoyne Junction and Burringurrah Aboriginal Community to the east and Carnarvon located centrally on the coast.

Ms Jones believes the commencement of construction of the Piyarli Yardi (meaning pink and grey galahs by the river) Aboriginal Heritage and Cultural Centre by the end of the year would be a big milestone.

"The cultural centre provides a bright light for the future of indigenous and non-indigenous people in the Gascoyne," she said.

It would be at the forefront of developing indigenous enterprise and cultural tourism products.

In Denham, the World Heritage Interpretative Centre would be a focal point and information centre for the surrounding World Heritage Area of Shark Bay.

Across the rugged pastoral region, a project to enhance the visitor's experience while travelling through the hinterland would be installed soon.

The Gascoyne Murchison Outback Pathways project had developed three self-drive ventures. Visitors could experience the Kingsford Smith Pathway from Carnarvon to Meekatharra, the Woolwagons Pathway from Geraldton to Exmouth or the Miner's Pathway in the Mid-West.

The project was one of the many examples of cross-regional partnerships, with the Gascoyne and Mid-West development commissions working together to develop the growing self-drive tourism market that spanned the two regions.

Ms Jones said the focus in Exmouth was on research and employment.

Proposals for a west coast marine research centre had been presented in many forms but the progression of the Exmouth Marina presented an ideal opportunity to develop the concept for the Ningaloo Reef Ocean and Earth Research Centre.

"Showcasing the opportunities that exist in the Gascoyne region, promoting investment, fostering strategic partnerships and encouraging more people into the region is the direction my commission is taking at a time that heralds promising growth," Ms Jones said. Exciting times: Commission chief executive Sue Jones and project officer Andrew Beer discuss the proposed marine research centre.

This article was originally published in The West Australian on Wednesday October 29, 2003.

BOOKS OF THE MONTH

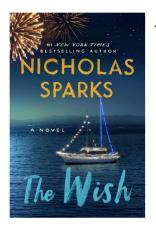

LITTLE MATILDA

Little Matilda is lonely and eager to find a friend. She approaches several potential playmates, but no-one wants to play with her. Will Matilda be alone forever?

Join Little Matilda as she learns to believe in herself and holds onto her dream of making a friend.

This affirming and uplifting tale deals with the complex emotions of rejection and loneliness, and provides opportunities to discuss resilience and overcoming everyday challenges in a fun and accessible way.

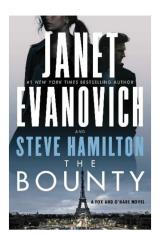

THE WISH

Maggie Dawes sent away at sixteen to live with an aunt she barely knew in Ocracoke, a remote village on North Carolina's Outer Banks, she could think only of the friends and family she left behind. Until she meets Bryce Trickett, one of the few teenagers on the island. Bryce gradually shows her how much there is to love about the wind-swept beach town.

By 2019, Maggie is a renowned travel photographer. She splits her time between running a successful gallery in New York and photographing remote locations around the world. But this year she is unexpectedly grounded over Christmas, struggling to come to terms with a sobering medical diagnosis. Increasingly dependent on a young assistant, she finds herself becoming close to him.

As they count down the last days of the season together, she begins to tell him the story of another Christmas, decades earlier—and the love that set her on a course she never could have imagined.

THE BOUNTY

FBI agent Kate O'Hare and charming con man Nick Fox race against time to uncover a buried train filled with Nazi gold.

Kate O'Hare and international con man Nick Fox have brought down some of the biggest criminals out there. But now they face their most dangerous foe yet—an international organization known only as the Brotherhood. The Brotherhood is on a frantic search for a lost train loaded with \$30 billion in Nazi gold, untouched for over seventy-five years somewhere in the mountains of Eastern Europe.

Kate and Nick know that there is only one man who can find the fortune and bring down the Brotherhood—the same man who taught Nick everything he knows—his father, Quentin. As the stakes get higher, they must also rely on Kate's own father, Jake, who shares his daughter's grit and stubbornness. Kate, Nick, and the two men who made them who they are today must crisscross the world in a desperate scramble to stop their deadliest foe in the biggest adventure of their lives.

Congratulations to these students who had an attendance rate of 90% or higher until 16/9/22.

Juanita, Eli, Andre, Milo & Jannayah

TERM THREE LEARNING JOURNEY

On Monday the 19th of September, we had a Learning Journey at our school. We invited family and community members to come and join us to have a look at the students work. Some kids showed their parents some of the maths games they have been learning and a very tricky one was to make a square shape out of playing cards and each side had to have a total of 18. No one could figure it out until we got shown the answer by Eli. We were all wondering why we didn't get it correct.

We also had the premiere of our school's WAKAKIRRI dance video. All the students worked hard doing the dance and the result made us all proud. After the dance viewing, all of adults had a delicious morning tea, provided by the school. After morning tea, some of the students showed more of their hard work, which they had been working on during the term.

School Leaders Bridie and Jannayah

Cherie played an addition and subtraction Maths game. A+ Cherie!

Janice shared her Book Review with her mum.

Harley showed Pop his speed and accuracy skills with typing.

Year 2 & 3 demonstrated some of their Talk 4Writing oral work.

Scarlet explained her Geography work to her mum.

Eli had everyone stumped with his Maths activity. Better luck next time!

WHAT'S HAPPENING IN KINDY AND PRE-PRIMAR From Miss Kenny and Miss Heejeong

In Kindy/Pre-primary we've had many busy weeks learning about hefting, balancing, the magic of magnets,

experimenting with volcanoes and Lego Coding. Phew! It was lots to take in, but our very clever students were

Hefting: They needed to use their hands to see which was heavier and which was lighter.

enjoying their learning journey!

Balancing: In order to balance a small ball with a heavy ball, they counted how many objects they needed.

Ohhhhhh! The Magic of Magnets! They discovered that a pompom wasn't sticking to the magnet because it wasn't metal! Don't forget that they had fun doing some magnet painting! See the photos below.

Reading about volcanoes.

Preparing a sand pit for volcano experiment

INTERSCHOOL SPORTS DAY AT CCC

CSOTA.

Both students made our school extremely proud with their outstanding behaviour and their enthusiasm. Great job Bridie and Milo!

UPPER GASCOYNE

You're invited to join in the 2022 Aussie Bird Count happening during National Bird Week, 17-23 October.

Make a difference for bird conservation by giving a moment of your time to count the birds that are counting on you. Participate in the Aussie Bird Count during Bird Week in October and use your observation skills for a 20-minute period to make a simple but important contribution to Birdlife Australia's conservation initiatives.

Each year people across the country head out to their front yards, backyards, courtyards, parks and play areas to count how many birds they see to provide a snapshot of Australia's more common bird species. It's a fun, simple and safe activity observing nature, which is proven to provide benefits to mental health and wellbeing.

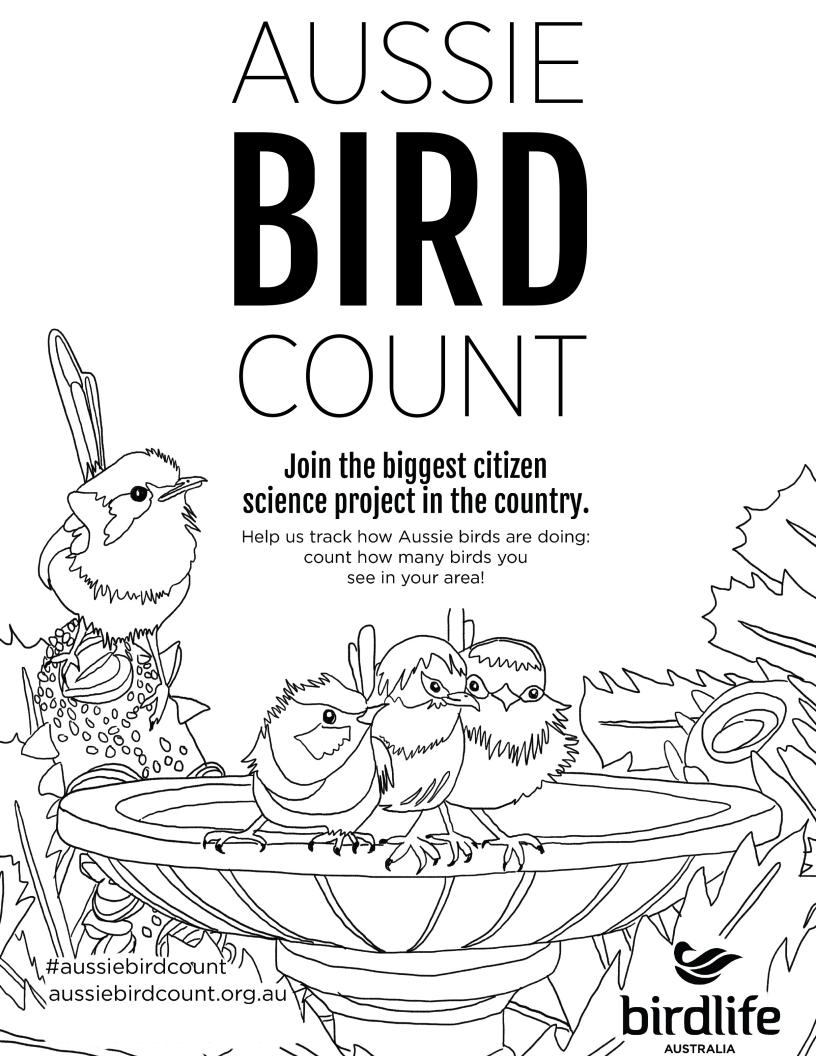

Collecting this data at the same time each year allows us to look at the trends in our bird communities over time. Think of birds as a barometer for nature, as their health and wellbeing is one of nature's best indicators.

Download the Aussie Bird Count app and get involved or learn more at **<u>aussiebirdcount.org.au</u>** And join the flock for Australia's largest citizen science project – Aussie Bird Count.

All bird counts from across the Shire will be collated and reported to us as part of the project. Let's see how many species of birds we can find across our 57,809 square kilometres.

Zebra Finches Image: Andrew Silcocks

Chickpea Fritters

INGREDIENTS

- 1 15-ounce canned chickpeas rinsed, drained
- ¼ cup all-purpose flour
- ¼ cup grated or shredded parmesan cheese
- 1 tablespoon chopped parsley
- 1 teaspoon cumin
- ½ teaspoon garlic powder
- ½ teaspoon salt
- ¼ teaspoon black pepper
- 2 tablespoons water
- 2 tablespoons canola oil

INSTRUCTIONS

- 1. In a medium bowl, combine the chickpeas, all-purpose flour, parmesan cheese, fresh herbs, cumin, garlic powder, salt and pepper. Add two tablespoons of water and use a fork or masher to combine the ingredients until they are well blended.
- 2. Divide the mixture into 6 equal parts and form into thin patties.
- 3. In a large pan, heat the oil until it's shimmering. Then add the chickpea fritters and cook until browned and fully cooked through, about 2-4 minutes per side.
- 4. Place on a plate lined with a paper towel to absorb any excess oil, then serve with tahini sauce or any other sauce of choice.

OCTOBER

- 13 Jodie McTaggart
- 15 Wendy Hoseason-Smith
- 17 Raymond Hoseason-Smith

Community Supporting Community

Gascoyne Junction Remote Community School is the beneficiary of \$1000 from the Yangibana Social Club following their first fundraising quiz night and their on site Containers for Change Project.

'The donation has been made possible through the generosity of on-site both contractors and employees. Everyone was generous and we will have further social functions to be able to donate to charities around the Region,' said Yangibana Site Manager Dave Cunnigham.

Dave presented the donation to School Principal Jackie Miller. The money will help fund equipment for the 12 children who attend the school.

Clean Up Australia Day

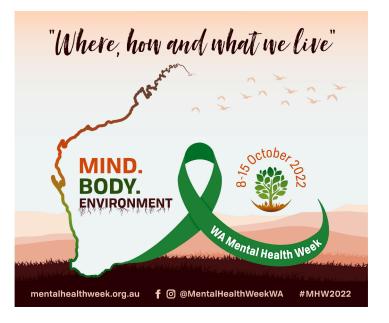

On Friday September 16, the students and staff at Gascoyne Junction Remote Community School participated in the Great Northern Clean Up as part of Clean Up Australia Day. Despite our remoteness it coincided with global celebrations being held to Clean Up The World.

Mental Health Week: 8-15 October 2022

MOVEMENT AND ACTIVITY

Movement matters. When our bodies move, so do our brains, enhancing mental clarity, improved mood, better brain function, 'happy' hormone release and increased resilience. Find ways to move your body at times of day that work for you. Whatever our job or lifestyle, there is always an opportunity to move our body. Walking, dancing, cycling, sport, running a gym session and housework are all ways to get moving!

To get moving in Mental Health Week join us for the Gascoyne Junction Fun Run on Thursday October 13.

Get Upper Rally The Range

Alys McKeough, Will Baston and Ainsley Hardie earlier in 2022 participated in the Australian Drought Resilience Leadership Program, and as a part of this experience submitted a grant proposal for a community event that would develop a sense of community and discuss how as a community we could build resilience in the services and support that is offered. With the support of the Shire, a group of 25 Community Members set off on Friday September 16 to conquer the Kennedy Loop Track. Over the 270km of driving, strangers became friends, communication channels opened and new ideas for support and services were hatched. Thanks to Alys for the catering, and Ainsley for the tour guiding. Thank you to Marion Crowe for a beautiful Welcome to Country, to Rennee Turner of Wooramulla Cultural Tours who shared her knowledge of plants and medicine. To John Collins from Trackcare for sharing ideas for improving tracks through the Upper Gascoyne and to Matt and Jake from Perth Observatory for sharing the night sky with us. Finally a thank you to all that came along on the adventure. Your openness made for an incredible weekend. There have been requests to do it again so watch this space.

2022 Community Christmas Party Bring A Plate WHY YOU ASK

We have had several people ask why we are asking the community to bring along a plate to this year's event.

When we have asked for community feedback, the most common response we receive is that the community misses contributing and feeling a part of the event, so in response to this, in 2022 we are asking for community members to help with creating the perfect Community Christmas Dinner by sharing their favourite side dishes, salads and desserts.

We are asking pople to let us know what they intend to bring so that we can make sure that we have enough of everything. You can do this my returning the form in this edition of the Gassy Gossip or calling the CRC and letting us know.

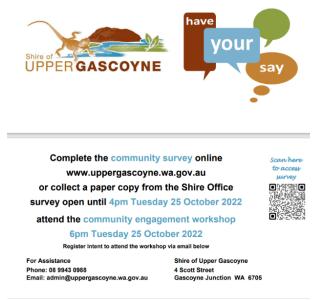

Why is the Community Strategic Plan so important

Over the past few weeks you will have seen information about the Community Strategic Plan and the Community Survey in your mail, on the Shire social media and website. Why is it important that you take part?

Every four years, the Shire must engage outside consultants to work with the community to discover and assess what their needs and wants are. Input that is provided through the survey and at the community workshop on **Tuesday October 25** will be used by these consultants to deliver to Council a list of community goals to work towards to deliver what is required by residents. The document becomes a living document around which

forward planning and budgeting can be set. So what do you have to do? Answer the questions on the survey and attend the workshop, but put on a thinking cap not just about today, as a resident of the Upper Gascoyne in 3 years time, 5 years time, 10 years time, what kinds of services and faciltiies will you and your family need. This is the time to put forward your ideas and have your voice heard. So please take a moment to complete the survey and if you can join us for the in person workshop at the Pavilion on the 25th of October from 6 to 8pm.

The CRC is turning 10! You are Invited.

The Gascoyne Junction CRC is such an important part of the Upper Gascoyne community. On Wednesday October 19, we will be celebrating 10 years since the official opening with a FREE community birthday lunch. Join us for a BBQ with sausages and burgers and of course there will be birthday cake. Not only does the CRC provide essential services to the community, but it also hosts memorable events that have been attended over the years from since the Opening.

Gascoyne Food Festival Smoke & Stars Gascoyne Junction

Diners enjoyed a feast of local Gascoyne Food at the Gascoyne Junction Smoke and Stars Dinner, the last event of the 2022 Gascoyne Food Festival.

Enjoying a night under the stars at the Junction Pub & Tourist Park, dinner guests enjoyed a night of great food, music by Grant and the chance to observe the rings of Saturn and Jupiter and four of her moons through telescopes with the Perth Observatory.

Stargazing in the Gascoyne

It has been a big month of enjoying our Night Skies. The team from Perth Observatory joined the Rally the Range Event on Friday September 16 taking their telescopes onto the Kennedy Loop and providing amazing views of the night sky for participants. The team followed up with another night of observations for the general public and diners at the Smoke and Stars Food Dinner on Saturday September 17. Again a reminder why Gascoyne Junction is going to be an incredible Astrotourism Town.

This image of the night sky from the waterhole in Gascoyne Junction was taken by Craig Hansom on a recent visit to Gascoyne Junction.

Country Stargazing

with Carol Redford and Donna Vanzetti, Astrotourism WA

Stellar Line-Ups!

October is a great month to be out under the stars! There are some special line-ups of planets, stars and the Moon to discover plus Halloween to celebrate!

After 8pm on the 10th of October, a line of bright objects can be seen. Starting from the east northeast, a full Moon rises. Further westward is the planet Jupiter, visible as a bright star. Even further to the west, Saturn can be seen, as a fainter star than Jupiter.

When to look: After 8pm, October the 10th Which direction to look: From the east-northeast horizon, westward.

Will you be trick or treating this Halloween? If you are, there's some terrific stargazing in the early evening! Another lovely line-up will light up the skies! Starting low in the west, the great red star Antares can be seen with the bright star Nunki above it. Further eastward is the Moon followed by Saturn and then Jupiter. Ideal for getting you in the mood for Halloween and planning the perfect costume.

When to look: 7.30pm, 31st October Which direction to look: From west to overhead

This special alignment of celestial objects will certainly be a treat rather than a trick! With the weather warming up, it's a perfect time to be out stargazing and enjoying the Stellar night sky views.

Something Interesting: Antares is a super-giant red star several hundred times the diameter of our Sun and is about 600 light-years from Earth.

Find more stargazing tips and country events at www.astrotourismwa.com.au.

If you're a budding "astro-enthusiast", check out the Stargazers Club WA's telescope classes & astronomy events for beginners at: www.stargazersclubwa.com.au.

Solar Eclipse 2023

We are collaborating with the Shire of Carnarvon to coordinate the marketing of a series of events based around the 2023 Solar Eclipse that will be occurring on Thursday 20 April in Exmouth. Around 11.27am the path of totality will graze the tip of WA along the Gascoyne coastline drawing thousands of

visitors to the Gascoyne. With both our Shire and the Shire of Carnarvon becoming Astrotourism Towns we are poised to attract visitors to the region. On the day Gascoyne Junction will receive 90.25% coverage, Kennedy Range National Park 92.19% coverage and Mt Augustus 87.81% coverage. You can find more details on the Solar Eclipse on the Shire webpage: www.uppergascoyne.wa.gov.au/tourism/what-to-see/solar-eclipse-2023

KEY DATES

18 April:	Stargazing Cocktail Event at Coral Bay
20 April:	Solar Eclipse
22 April:	Bush Dance under the Stars in Gascoyne Junction
25 April:	ANZAC Day in the Junction

How can you benefit from this rare opportunity?

The 2023 eclipse is expected to be very well attended by enthusiasts and media from all over the world. Eclipse chasers travel obsessively to see these solar occurrences. There is an opportunity to leverage off the exposure of this event and increased visitor levels to the region.

What we are looking for:

Event organisers or venues interested in creating and implementing a suitable event under the Carnarvon/Coral Bay/Upper Gascoyne Solar Eclipse event brand, which is unique to the program and may not necessarily be available at any other time of the year

- A mix of free and ticketed events that will entice day trippers, locals and short haul visitors from Perth and other target markets
- Expressions of interest, even though you may not have an idea, we can support to develop your concept with you
- Products or services that meet the needs of additional visitors to the region

Opportunities to Consider:

Open Sky Accommodation	Stargazing Tours	Visiting geological & natural attractions
Musical Performances under the Stars	Special Event Astrophotography	Star Bathing
Aboriginal and Guided Astronomy Tour	Navingational Team Building Experience under the Stars	Yoga under the Stars
Day turns to night Quad Tours	Silent Disco	Camping under the Stars
Micro Flights	Viewing wildlife at Night	Dinner under the Stars
Public Stargazing	and the second second	· ·

If you have an idea, or an event you would like to develop please do not hesitate to reach out. The earlier we start the further reach we can get for the event.

TO ADVERTISE PLEASE CONTACT US CRC@UPPERGASCOYNE.WA.GOV.AU

ADVERTISING RATES PER MONTH A4 - \$42.00 A5 - \$26.00 A6 - \$21.00 Business Card Size - \$8.50

Are you looking for a place to get your business, your event, or your items for sale in front of the residents of the Shire of Upper Gascoyne?

Its time to book an advertising space in the Gassy Gossip. Whether its for one month or year round this is the place to be seen.

Free advertising for community groups and not for profit organisations.
