Hello Readers

I can advise that the Shire of Upper Gascoyne has now been given approval under WANDRA to commence work at reinstating the damaged road infrastructure. We have moved some way of getting machines on the ground, we have arranged our Overdraft facility, appointed Greenfield Technical Services as project managers and went to tender on Saturday the 27th of May 2017.

Once tenders are received we will sort through them and make a recommendation as to who we **assess as providing the best value for money to the June meeting, from here it's a matter of** mobilisation and letting the works commence. It is proposed to offer two work packages of equal value, it estimated that the work will take around 9 months to complete.

On Saturday the 20th of May 2017, I attended Mrs Betty Fletcher's 80th Birthday party which was held at the Gascoyne Junction Pavilion. The family are to be congratulated on the way they decorated the Pavilion and the food supplied was epic. Betty was very colourful for night and showed plenty of pluck.

It was resolved by Council at the May meeting to award the tender to supply two transportable modular homes to Fleetwood. These homes are two bedroom - two bathroom homes. They will be **used to house Shire staff, one will be situated in between Dart and Pronto's properties and the** other next to Clive Price. These houses will make it easier to attract and retain staff. They should be **here in approximately 12 weeks' time.**

My staff and I have been busy with the end of year financials. We have prepared a draft 2017/18 Budget for Council to consider, a very modest rate rise of 4% for rural and 2% for mining was proposed and adopted, the Community Strategic Plan has been compiled and completed for Council to consider and we have prepared a Workforce Plan, also for their consideration. The Policy Manual has been completely review from top to bottom and has been approved by Council. I am currently reviewing the Delegated Authority Register, I hope to have this ready for the June meeting.

The works associated with Killilli Bridge and Bundagee Wash are nearing completion with the last of the civil works being undertaken. I would like to thank everyone for their patience whilst we have had to close the road to enable the bitumen works to be completed.

It is with regret that I have accepted the resignation of Blanche Walker, Blanche has secured employment at the school as its register. In my relatively short time here Blanche has proven to be a valuable member of the Shires Team and we will miss her.

The Music Festival was a great success with all reports being very positive. Alys McKeough did a remarkable job of keeping everyone refreshed and well fed. We had representatives from Lotteries West in attendance, hope they were sufficiently impressed to continue with funding for this event.

Next year the Festival will be held on Mother's Day.

Max Employment have signed a MOU with the Shire to use the old police station to deliver training for those on New Start programs. It is good to see this building being used rather than sit empty.

As always I trust you all have a great month ahead and that you and yours stay healthy, I can be contacted at any time either at the office or at home.

Strategic Community Plan

Thank you very much to all who contributed to the development of the Strategic Community Plan. 25 responses were received to the Community Survey and 27 people attended the Community Meeting held on 26th April 2017.

Your responses gave us a valuable insight into the community's visions and aspirations for the future. Council believes your aspirations have captured and are reflected in the desired outcomes of the Plan. We will work in partnership with the community and other key stakeholders to deliver these outcomes using the strategies detailed in this plan.

The Draft Strategic Community Plan was considered at the May 2017 Council Meeting and the Final Strategic Community Plan will be adopted at the June 2017 Council meeting, when it will be published on the Shire web site.

NOTICE OF INTENTION TO IMPOSE DIFFERENTIAL RATES

In accordance with Sections 6.33 and 6.35 of the Local Government Act 1995, the Shire of Upper Gascoyne hereby gives notice of its intention to impose differential rates and differential minimum rates on all rateable unimproved-valued properties within its boundaries during the 2017/18 financial year. The differential rates are imposed on the basis of predominant land use as detailed below:-

LAND USE CATEGORY	PROPOSED RATE IN \$	PROPOSED MINIMUM
G.R.V. General	8.15 cents	\$185
U.V. Mining	13.93 cents	\$420.00
U.V Rural	3.74 cents	\$200.00

A statement of objects and reasons for each proposed rate and minimum payment may be inspected at, or obtained from, the Shire of Upper Gascoyne Administration Centre, 4 Scott Street, Gascoyne Junction between the hours of 8.30am and 4.30pm. Further queries can be directed to the undersigned by telephoning (08) 9943 0988 or by email to:

ceo@uppergascoyne.wa.gov.au

Submissions regarding the proposed differential rate and minimums must be received by Friday 23rd June 2017.

Gascoyne in May's festivals rolled into June last weekend at the Gascoyne River Music Festival in Gascoyne Junction. The fifth festival of a six festival tour was attended by over 200 people who were delighted by a free and family friendly program featuring the best of local, national and international acts.

There was something for all generations over the weekend with make your own Hula Hoops & Juggling Balls, Yoga, Acro-balance and Didge playing workshops as well as market stalls, fantastic food from Carey Downs Catering & a licensed bar.

Drawcards to the Upper Gascoyne region included festival favourites James Abberley, Bec Schofield, Dave Mann, Dry Corner & Sundown. Headline act The Red Ochre Band got everyone out of their seats and dancing to their country rock songs. Celebrated international juggler Johan Wellton rendered the crowd speechless with his astounding Juggling, Perth Symphony Orchestra's String Quartet redefined classical instruments by performing renditions Led Zeppelin, Adele and ACDC delighting the crowd. Empress of the trapeze Theaker von Ziarno performed jaw dropping stunts on the high wire, while Mark Atkins Didgeridoo virtuoso set spines tingling as he performed his unique style of musical storytelling. Other highlights included Kaleido Company who graced the stage with a combination of highly skilled acrobatics, aerial silks and comedy! There was also a large memorial Fire Sculpture in honour of Susan & Leslie Windie, River walks with Inggarda Artists Raymond Edney and a Sculpture Trail.

In 2018 the annual Gascoyne River Music Festival will move to Mother's Day Weekend of the 11th - 12th of May.

Gascoyne in May's Executive Producer Theaker von Ziarno stated 'The River Music Festival reflects a small community with a big heart, it's always an honour to work with this community of really dedicated and wonderful people. The Gascoyne in May festival series is made possible with support from the Shire of Upper Gascoyne, Lotterywest, Carey Downs Catering and Royalties for Regions via Department of Culture and the Arts. CEO of Upper Gascoyne stated 'A Big thanks to our always hard working crew who put in a lot of effort behind the scenes and on the weekend to keep everything running smoothly. We look forward to growing this event into a vibrant Country and Western Music Festival which will always be set on the Mother's Day weekend.

Neighbourhood House Week Round-Up

A massive thank you to all those Centres who took part in Neighbourhood House Week and organised an event to celebrate! The majority of acquittals have been submitted and processed, and we have received an abundance of photographs, stories and feedback.

Linkwest is busy preparing a commemorative booklet to showcase the events held in NHW 2017, but here is a taste of what took place...

Telehealth: Meet your specialist without leaving town

The benefits to country people of doing medical appointments by telehealth came under the spotlight during Telehealth Awareness Week June 12–16.

The WA Country Health Service organised the event to draw attention to the advantages to patients in cost and time savings of using videoconferencing for health appointments.

Some CRCs around the state held displays showcasing the telehealth capabilities they offer local people at their centres.

Many CRCs now facilitate telehealth appointments at **their offices, specifically in those towns which don't** have a health service.

Alternatively, telehealth is offered at most country locations at hospitals, health centres and telehealth-enabled GP surgeries.

Telehealth works by allowing people who are isolated from their specialist or health care worker to carry out their appointment by high-quality videoconference or telephone.

Patients simply visit their local telehealth-enabled centre, someone will take them to a private room and connect them for the videoconference. The picture and sound are very clear. A support person or another member of the person's healthcare team can join them.

Patients simply visit their local telehealth-enabled centre, someone will take them to a private room and connect them for the videoconference. The picture and sound are very clear. A support person or another member of the person's healthcare team can join them.

About 800 telehealth appointments happen every day across WA for more than 30 types of outpatient service, including asthma & COPD, diabetes, oncology and stroke.

Telehealth's benefits to patients include better local access to a wide range of health services; saving them money, time and travel; and less time away from family and work.

Telehealth is easy, widely available and free.

People who use telehealth have found it as effective as an in-person consultation and said it saved them time and money.

To find out more about telehealth, ask your specialist, GP or health professional or visit www.healthywa.wa.gov.au/telehealth

Carey Downs Station is a family owned and operated cattle station in the Upper Gascoyne running Droughtmaster cattle.

Carey Downs's stock licks developed from the necessity to supplement cattle with cost effective supplementation in a nutrient deficient environment that is also subject to adverse seasonal conditions. Our product is tried and tested on our own cattle and the formulation has been developed in consultation with Dr Bob Nickels (Veterinary Services) and Dr Dean Revell B. Sc (Agriculture) Hons. PhD. (Animal Nutritionist)

The majority of the product is sourced locally. As well as our stocked formulations we will have the ability to custom design and mix to your requirements.

Dinner Tonight

Quick coconut beef curry

- Easy
- 27mins
- Serves 4

One of the fastest curries you'll ever make - you can have this creamy coconut beef curry on even the busiest of weeknights!

Ingredients

- 750 g beef rump steak
- 2 tbsp. peanut oil
- 1 onion, halved, sliced
- ½ cup desiccated coconut
- ⅓ cup Panang curry paste
- 270 ml can light coconut milk
- 1 tbsp. fish sauce
- 1 tbsp. lime juice
- 1 tsp. brown sugar

Method

Trim steak. Cut into 2cm-thick slices.

Heat half the oil in a large, deep frying pan over a high heat. Add beef in three batches.

Cook, stirring, for about 3 minutes, or until browned. Remove. Reduce heat to medium.

Heat remaining oil in same pan. Add onion. Cook, stirring, for about 2 minutes, or until soft.

Add coconut and paste. Cook, stirring, for about 1 minute, or until fragrant.

Return beef to pan with milk. Bring to boil. Simmer, uncovered, for about 5 minutes, or until slightly thickened. Stir in sauce, juice, sugar and half the coriander. Stir until hot.

Garnish with remaining coriander. Serve with rice.

apricot lattice pie

INGREDIENTS

- 1kg ripe apricots, chopped
- 1½ cups (330g) caster (superfine) sugar
- 2 teaspoons vanilla extract
- ⅓ cup (50g) arrowroot
- ½ cup (60g) cashew meal (ground cashews) +
- 1 egg, lightly beaten
- 2 tablespoons raw sugar
- *large sweet pie pastry*

- 4½ cups (675g) plain (all-purpose) flour
- ½ cup (110g) caster (superfine) sugar
- 1½ teaspoons sea salt flakes
- 185g cold unsalted butter, chopped
- 115g cold lard++, chopped
- 1½ tablespoons apple cider vinegar
- ¾ cup (180ml) iced water

+ Cashew meal is available in the baking or nut aisle of the supermarket.

METHOD

1. To make the pastry, place the flour, sugar and salt in a large bowl and mix to combine. Add the butter and lard and, using your fingertips, rub into the flour mixture until it resembles fine breadcrumbs.
2. Add the vinegar and water and, using a butter knife, bring the mixture together to form a rough dough. Lightly knead to bring the dough together, shape into 2 discs and wrap each in plastic wrap. Refrigerate for 30 minutes or until firm.
3. Roll out 1 of the pastry discs between 2 sheets of lightly floured non-stick baking paper to 4mm thick and use to line an 18cm metal pie dish. Refrigerate for 30 minutes.
4. Roll out the remaining pastry disc between 2 sheets of lightly floured non-stick baking paper to a 3mm-thick, 40cm x 40cm square. Cut the pastry into 10 x 3cm-wide lengths and 8 x 1cm-wide lengths. Place on baking trays lined with non-stick baking paper and refrigerate until needed.
5. Preheat oven to 180°C (350°F). Place the apricot, caster sugar, vanilla and arrowroot in a large bowl and mix well to combine. Spread the cashew meal in the base of the pastry case and top with the apricot mixture. Use the pastry strips to create a lattice pattern (see note).
6. Press the edges to seal, trimming any excess pastry. Brush the pastry with the egg and sprinkle with the raw sugar. Place on a large baking tray and cook for 60–65 minutes or until golden brown and cooked through. Stand for 30 minutes before serving. Serves 6–8.
